## CALL FOR APPLICATIONS

THE UNIVERSITY OF GUYANA

### THE COLLEGE OF MEDICAL SCIENCES (COMS) proudly invites applications for the first offering of its ASSOCIATE DEGREE IN PREMEDICAL SCIENCES

The Pre-Medical Sciences is a comprehensive two-year programme designed for motivated students aspiring to pursue medicine and other health-related disciplines. The programme provides a strong academic foundation and equips students with the essential skills for success in medical, dental, and allied health education.

■ Duration: 2 Years (Four 15-week semesters).

■ Credits: 81 Credits total.

■ Curriculum: A blend of Natural Sciences, Behavioral Sciences, and Clinical Skills.

Core Subjects: Anatomy, Physiology, Organic Chemistry, Microbiology, Molecular Medicine, and Psychology.

■ Skills: Academic Writing, Biostatistics, Doctoring Skills, and a Foreign Language (Spanish, French, or Portuguese).

#### ENTRY REQUIREMENTS

##### CSEC/General at least five subjects:

with a minimum of Grade III in each subject including English, Mathematics,

**and three (3) science subjects:** Biology, chemistry (preferred), and one other Science subject-Physics (strongly Preferred), Integrated Science, or Human and Social Biology.

**A-Levels / CAPE:** 3 passes (Grades A–D / I–V) in any three subjects.

**Mature Entry:** Age 21+ with relevant experience; must pass the UG Entrance Examination (UGEE).

**Special Consideration:** Recognised health qualifications (e.g., Medex, Pharmacy Tech, Medical Tech).

Free to achieve, *free*  
to succeed

Meeting minimum requirements does not guarantee admission. Early application is encouraged.
